

Mo's Magnificent MATH Mo-chine

Count how many objects are in each box and write the numeral next to it.
Then, circle the set that has more!

3				2
----------	--	--	--	----------

<input style="width: 40px; height: 30px;" type="text"/>				<input style="width: 40px; height: 30px;" type="text"/>
---------------------------------------------------------	--	--	--	---------------------------------------------------------

<input style="width: 40px; height: 30px;" type="text"/>				<input style="width: 40px; height: 30px;" type="text"/>
---------------------------------------------------------	--	--	--	---------------------------------------------------------

<input style="width: 40px; height: 30px;" type="text"/>				<input style="width: 40px; height: 30px;" type="text"/>
---------------------------------------------------------	--	--	--	---------------------------------------------------------

<input style="width: 40px; height: 30px;" type="text"/>				<input style="width: 40px; height: 30px;" type="text"/>
---------------------------------------------------------	--	--	--	---------------------------------------------------------

Make Your Own Magnificent Math Mo-chine

Play a counting game! Put the counters in a paper bag. Then, everyone can grab a handful, count them, and write down the number to see who has the most!
