

Learning Area: Checklist

Print this checklist to get started on your learning space!

At-Home Learning Area

Checklist

- A space that has limited distractions and feels like their own (even if it's in a shared room)
- Flat surface to work on projects, color, or build—a table, desk, or floor space all work!
- Comfy seat (bonus points if their feet can touch the floor!)
- Access to Wi-Fi and a power outlet if needed
- Organized supplies: pencils, paper, glue, etc.
- Water bottle or spill-proof cup nearby—let's stay hydrated!
- Lessons for the day (workbook, blocks, HOMER activities...)
- Extra touches to make the space special: pictures, a DIY nameplate, or a “study buddy” stuffed animal.

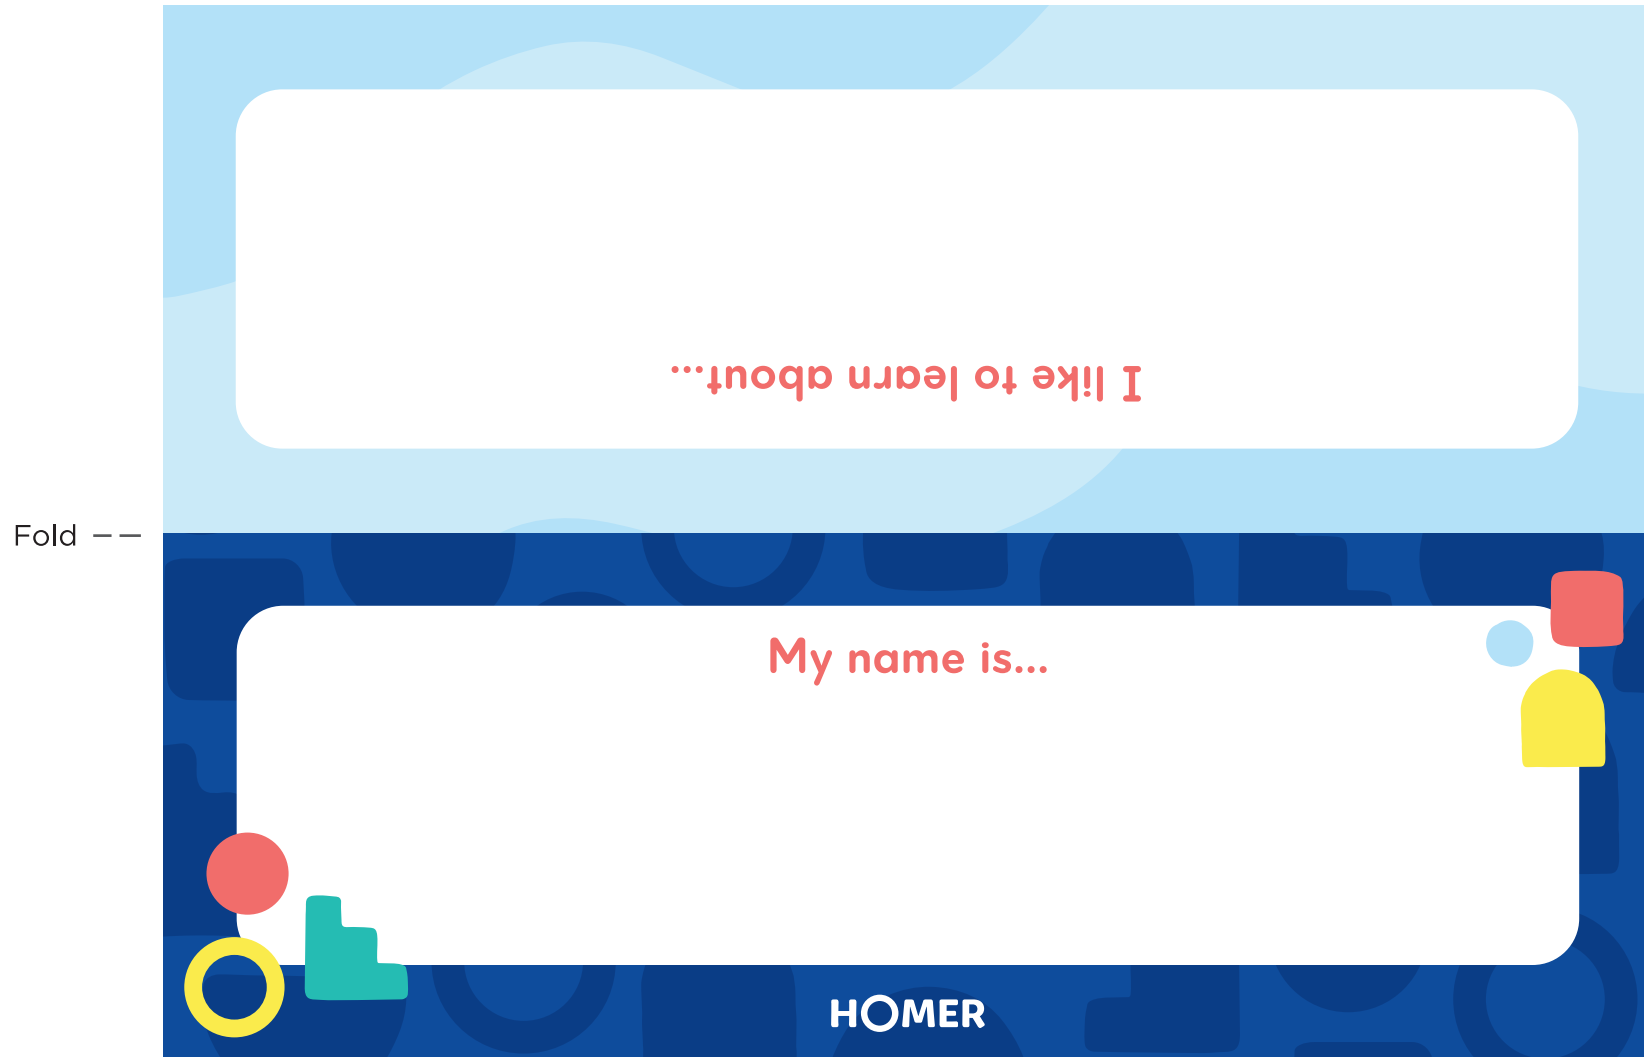

HOMER

HOMER

Expert-Designed Learning Products for Ages 2-8.
Start a 30-Day Free Trial at [LearnWithHOMER.com](https://www.learnwithhomer.com)

Learning Area: Name Plates

Choose your favorite color name plate and print.
Cut out along the artwork edge, fold in half, and customize!
